Engrave your place in history at the new
Tom Hiroyasu Baron Stadium

Purchase an engraved 4"x 8" or 8"x 8" "Legacy Brick" at the new Baron Stadium to forever commemorate a piece of your history and support of the Barons Baseball Program. Pay tribute to your favorite player, coach, team, family member or someone special. Your engraved "Legacy Brick" will be placed in our recently renovated Baron Stadium within the Baron Legacy Walk. Premium locations around the Ring of Honor are for purchase. 100% of the proceeds from the sale of these bricks will go directly to Baron Baseball to support player development, field improvements and maintenance, the purchase of uniforms and equipment and any other costs necessary for continued program success and advancement of our student athletes. Please reach out to a board member for more details. **Order information on backside.**
